## Digital Labs: theatre directors

### 1. House of Europe

House of Europe is a new EU-funded programme fostering professional and creative exchange between Ukrainians and their colleagues in EU\*<sup>1</sup> countries. The programme focuses on different professional fields: culture and creative industries, education, health, social entrepreneurship, media, and youth.

This encompasses 20+ separate programme lines enabling to go for professional events, internships, and networking in the EU\*, or to enrol in study tours, residencies, trainings, and other forms of support. House of Europe funds cultural coproductions and cooperations between Ukrainian and EU\* organisations, along with the development of cultural infrastructure and artistic concepts for youth in Ukraine. Finally, the programme offers various youth camps and an intra-Ukrainian university exchange.

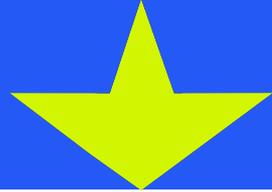

Implementation of House of Europe is led by Goethe-Institut Ukraine, with the British Council, Institut français, and Czech Centres as consortium partners.

### 2. Digital Labs: theatre directors

Digital Labs: theatre directors concentrate on non-traditional forms of theatre.

---

<sup>1</sup> Here and further in the text whenever marked with \*: plus the United Kingdom. The EU countries include Austria, Belgium, Bulgaria, Croatia, Republic of Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden.

You will understand how to turn the streets of your city into your stage, make use of technologies and documentary evidence, work with disabled people and amateurs, learning from the pioneers of alternative theatre from Ukraine and the directors from the EU and UK that for ages have been successfully working in this genre.

During the Digital Lab, you will develop a ready-to-apply project of a theatre play, consulting with experts in personal mentoring sessions. Following the jury selection, the authors of the best projects will get stipends of up to EUR 500 on further professional advancement.

### 3. When will the Digital Lab take place?

- Documentary theatre
- Inclusion theatre techniques

### 5. What project will I create during the Digital Lab?

During the Digital Lab, you will work on a project of a classical play applying several forms of alternative theatre.

You must draft a presentation of the project for the final pitching. For your convenience, we will share templates.

### 6. What is a Digital Lab?

Digital Lab is a nine-day event, bringing together intense studying in a group of fellow-minded people with individual work on your project.

You will discover effective work tools in lectures with practitioners from the EU\* and Ukraine, come up with new ideas in workshops, apply them while working on your project, and present the result. The experts are here to advise and provide feedback on your project in personal mentoring sessions.

The Digital Lab has the spirit of competitiveness, as all the participants present their projects and compete for stipends of up to EUR 500 on further professional development.

## 7. What are the components of a Digital Lab?

- Lectures with experts, where you will learn the know-how and practical work tools from peers
- Workshops with experts, where you will solve case studies together with other participants of the Digital Lab
- Individual mentoring sessions with experts, where you will receive personalised advice on the project you are working on
- Independent work, where you will apply the knowledge and advice you received to your own project
- Presentations of your project to the jury, where you will get an feedback and the opportunity to compete for stipends of up to EUR 500 for further professional advancement
