Application guidelines

International cooperation grants

1. House of Europe

House of Europe is an EU-funded programme fostering professional and creative exchange between Ukrainians and their colleagues in EU*1 countries. The programme focuses on different professional fields: culture and creative industries, education, health, social entrepreneurship, media, and youth.

This encompasses 20+ separate programme lines enabling to go for conferences, professional events, internships, and networking in the EU*, or to enrol in study tours, residencies, trainings, and other forms of support. House of Europe funds cultural coproductions and cooperations between Ukrainian and EU* organisations, along with the development of cultural infrastructure and artistic concepts for youth in Ukraine. Finally, the programme offers various youth camps and an intra-Ukrainian university exchange.

2. International cooperation grants

International cooperation grants fund collaborative cultural projects of Ukrainian and EU* organisations. We support music festivals, virtual exhibitions, book fairs, digital residencies, theatrical plays, and any other bold ideas for online and offline.

---

1 Here and further in the text whenever marked with *: plus the United Kingdom. The EU countries include Austria, Belgium, Bulgaria, Croatia, Republic of Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden.
Amid the coronavirus pandemic, we are looking for projects that have a vital digital component. Think of an adaptable idea you can carry out despite the uncertainty of circumstances: go online completely or combine offline and online formats.

The most prominent ideas will get up to EUR 25,000 to spend on staff, services, administrative costs, rent of equipment and space, and travel expenses.

3. What kind of projects can be funded?

We support projects from, but not limited to, the following spheres:

- Performing arts
- Visual arts
- Architecture
- Museums
- Galleries
- Libraries
- Written media
- Broadcasting
- Film
- Recording
- Festivals
- Other

The types of the projects can include, for example:

- Digital collaboration, co-production, and cloud-working of artists
- Online and offline exhibitions
- Online concerts and shows
- Virtual reality in transcultural exchange
- Other projects, including ideas combining offline and online formats

If you have any doubts about whether your project fits one of these categories, feel free to contact us before applying. We will help you to
clarify the issue. Email maria.ilyina@houseofeurope.org.ua or ilona.demchenko@houseofeurope.org.ua.

4. What are the requirements for the projects that can be funded?

- We expect to support projects with a vital online component, even if they contain offline components.
- We only support new cultural products that have not been publicly shown before.
- We ask for a contingency plan for the projects combining offline and online formats in case of the prolongation of pandemic restrictions.
- We pose no restriction towards the format of the collaboration: innovative, out-of-the-box, experimental ideas are encouraged.

5. Who can apply?

- Ukrainian public or state non-profit organisation in cooperation with at least one organisation registered and working in an EU Member State or the UK
- EU Member State or UK public or state non-profit organisation in cooperation with at least one organisation registered and working in Ukraine

6. What is needed to apply?

- Organisations must be registered as legal entities in their countries
- Organisations must be non-profitable and be able to prove it
- Organisations must have a portfolio of implemented culture projects
- Organisations must have relevant experience in the sphere of culture and creative industries
- Organisations must jointly develop a cultural product that focuses on cooperation

International cooperation grants are only available for institutions and NGOs. We do not support natural people, including registered entrepreneurs.
We are aware of the different legal forms that exist within the EU* and ask for suitable proof of the non-profit status if the legal form does not determine as such. If you have any doubts, please contact maria.ilyina@houseofeurope.org.ua or ilona.demchenko@houseofeurope.org.ua.

7. How do partners share their duties?

A tandem of an EU* organisation with a Ukrainian organisation forms the core of the project team. Together, they draft a joint application for the grant.

The organisation on whose behalf the application is submitted becomes the leading partner. This means that it will be responsible for the management of the project, financial, and descriptive reporting. This also means that the representatives of this organisation will sign the grant agreement.

An organisation cannot be a leading partner in one application and a partnering organisation in another.

8. Can more than two partners apply?

Collaborative projects with three or more organisations are eligible and encouraged. You can invite partners from Ukraine, EU Member States, UK, and even Eastern Partnership countries to join.

The Eastern Partnership countries include Armenia, Azerbaijan, Belarus, Georgia, Moldova, and Ukraine.

9. What is the amount of the grant?

The maximum grant amount is EUR 25,000. We can consider excellent projects that require larger funding. However, this is an exceptional case.
We do not request you to use your funds or funding provided by other organisations. However, this is also encouraged.

Any changes in the financial planning that exceed 20% of the original budget will need to be agreed in advance. Otherwise, we will not be able to reimburse them.

10. Which expenses are covered by the grant?

- Staff costs
- Service costs: artistic honorariums, external consultations, translation, design, production, and other services
- Administration costs: rent of space, equipment, and consumables
- Travel costs: tickets, accommodation, and a daily allowance. However, you should present a plan in case of the prolongation of the quarantine restrictions

11. Which expenses cannot be covered?

- Ongoing organisational costs, including office rent
- Costs covered by other sources of funding
- Purchase and renovation of equipment

12. How and when will the grant be paid out?

We will transfer the funding to the bank account of your organisation in several instalments.

The number, size, and dates of the transfers will depend on the sum of the grant and the activities that you have planned. We will pay the first instalment within 30 days after signing of the contract.

To receive each instalment, you are expected to provide a report for the previous instalment’s expenditure. The final instalment will be paid once all of the reporting on the project is completed.
The currency in which the grant will be paid will vary. If your organisation is registered in the EU*, the grant will be paid in EUR or the currency of your country according to the cross-exchange rate of the German embassy on the day of the transfer. If your organisation works in Ukraine, the amount of the grant will be paid in UAH according to the current exchange rate of the German Embassy in Ukraine on the day of the transfer. **No payments will be made in cash.**

13. **What is the duration of the project?**

You will have from 3 to 12 months to plan and launch your project. You can conduct the project during the period of March 2021 to March 2022.

Any changes must be negotiated in advance and may be granted only in exceptional cases.

14. **What is the application process?**

The application process consists of two stages.

With the first stage, you will provide a concept note: a brief description of the project, indicative budget, and information on the organisations. At this stage, we are not asking you to provide any documents in support of your application. The first stage will take place during September-October 2020.

With the second stage, you will provide a detailed implementation, communication, and budget plan. You should also present any supporting documents such as certificates of registration of your organisation, etc. The second round of the selection will take place in November 2020.

If your project is selected for the second round, you will be notified and provided with detailed instructions on how to proceed.

We finish consultations four days before the deadline. Make sure to contact us before 16 October 2020, 15.00 Kyiv time if you have any questions or problems.

16. Do I have to register to apply?
